

Portable toilets and ablutions, when and where you need them.

At Boland Toilet Services, we sell, hire and service a complete range of fully portable, international quality toilets and ablutions. From single construction site units, toilet trailers and stand-alone urinals to luxury, solar powered, multi-function units - we have the perfect solution for your every need.

In addition, we offer toilet and ablution facilities specifically designed to comfortably accommodate those with disabilities.

The service cycle

DELIVERY

You can request for us to deliver your toilets or ablutions specifically when you need, or on a day when our Delivery Team will be in your area, which will save you money on delivery fees.

CLEANING

Our Hygiene Team uses portable high pressure cleaners and premium quality chemicals to clean our units out on hire. We also offer this service on contract for units owned by our clients.

AMENITIES

Our Hygiene Team will replace soaps, toilet paper and paper hand towels at scheduled intervals throughout the hire period.

MAINTENANCE

Waste is pumped from our units at scheduled intervals throughout the hire period, however we also offer septic tank pump-out services as a general maintenance solution for clients.

COLLECTION

You can rely on the promise that our portable toilets and ablutions will be collected on schedule at the end of the hire period.

Key Facts:

- Just 12 hours from query to quote
- Timely delivery and set up
- On site cleaning, maintenance and pumping services
- 24/7 on site service team for events
- Privacy fencing around units where needed
- Own transport option available on fully prepared trailer units

Introducing the JM Group

Boland Toilet Services one of the oldest divisions of the JM Group. Since 1997, the JM Group has been providing a total concept hiring, sales, repair and maintenance service to businesses and residents of the Western Cape.

In addition to dedicated divisions providing toilets, ablutions, hardware, shipping containers and storage, as well as catering and event equipment, we recently expanded our tool hire division to incorporate the Talisman Hire brand into the group, and now offer tool hire services in both Ceres and Durbanville.

We stand by our motto 'Quality with Integrity in Harmony' and believe that upholding these merits forms a solid basis for extending the Christian values that are so important to us in every aspect of our business dealings.

Chat to us and we will advise you on the perfect, tailor-made solution to address your needs.
